Quartette Society Concert. The Houston Quartette society will give its first concert of the season tonight at Bryan hall, assisted by Mr. Clarence B. Ashenden, barltone, and Mrs. Ellen Bright Ray, soprano, both of Dallas. The concert will commence promptly at 8:15 o'clock and will commence promptly at 8:15 e'clock and the doors will be elosed during the rendition of each number, thus anyone arriving after the concert commences will likely have to remain on the stairway during the rendition of a number. The efferement of this rule by the Quartette society if persisted in will eventually have the good effect of causing punctually to be more strictly observed in attending public entertainments.

In addition to the numbers that will be contributed by the outside talent, the Quartette society will sing four very pretty choruses, all of which have been added to their reperfoire since last season.
